Membership in Trailer Care includes towing of your boat and trailer when your vehicle becomes disabled, jump starts, fuel drops and roadside assistance for flat tires, wheel bearing, axle and break problems. \$150 limit per incident. See service contract for details.

I, the applicant, understand that Trailer Care, a membership program provided by Sea Tow Services International, Inc., is subject to the terms and conditions in the Trailer Care Service Agreement (which supercedes this summary) and generally covers non-emergency towing or necessary fuel drops, jump starts or roadside assistance for flat tires, and wheel bearing, axle and brake problems. Services are provided up to \$150.00 per incident. The cost of fuel and parts is not included. Service is Sign-and-Drive when available. Sea Tow is not responsible for the actions or inactions of providers nor for any consequential, actual or incidental losses, damages or fees. Sea Tow reserves the right to terminate or limit this membership for any abuse. Intoxicated parties may be refused service.
